Contributions

Lincoln Rychecky: Wrote functions to add data to firebase, managing project repository

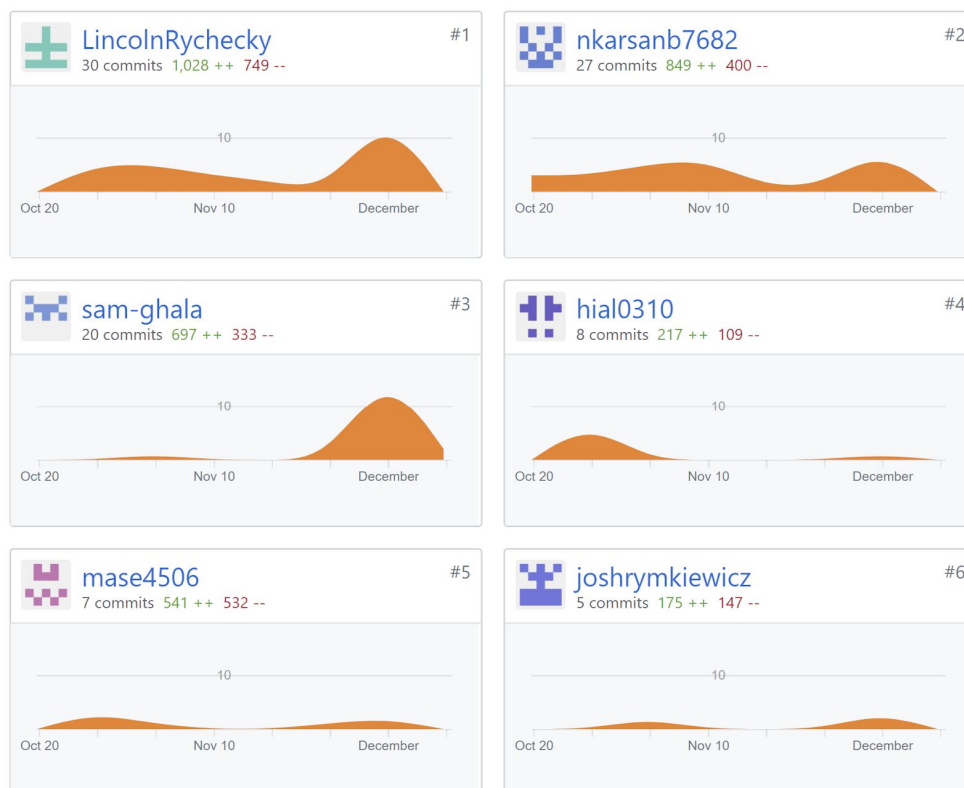

Neel Karsanbhai: Wrote functions to pull data from website and add posts to website, tested addition of posts to website from database

Sam Ghalayini: Search function, created all of the 'My Account' page, worked on login functionality.

Hiba Al Abdali: Created all of the 'About Me' page, worked on contact form to get message using email

Matthew Sexton: Worked on index page, login functionality, database work, and search functionality

Josh Rymkiewicz: google calendar integration, add event database functionality, search functionality
